Remarks

- If the first hotel (www.agnesen-hof.de at Barweiler) is booked, we may switch to Dorint hotel Nürburgring (plus € 25,00 per night per stay).
- Packages above are proposals which can be adjusted/changed. They need to be converted into British Pound.
- The handling of the booking procedure and the payments have to be defined.
- It is possible to add the name of EVO to the title of this event (f.ex., EVO trackday powered by Manthey).
- No race cars are allowed except those of Manthey and Manthey customers.
- The focus shall be on high value and high performance sports cars; we do not want to see Golf, old BMW etc. on the track on that day as the basic idea was only to let Porsche owners on the track. We absolutely want to avoid a situation like on the weekends where all Michael Schumachers and Valentino Rossis meet.
